Product	Price (License Type)		
	Stand-alone	Network	Global
AFT Arrow 4.0 - compressible flow system modeling	4,000.00	6,000.00	7,000.00
AFT Arrow Add-on Modules -			
GSC - Goal Seek & Control, modeling automation and control simulation	900.00	1,350.00	1,575.00
CST - CoST calculation/estimating of systems	700.00	1,050.00	1,225.00
See notes for package discounts available for AFT Arrow modules. Modules require AFT Arrow 4.0.			
AFT Fathom 7.0 - incompressible flow system modeling	2,500.00	3,750.00	4,375.00
AFT Fathom Add-on Modules -			
XTS - eXtended Time Simulation to model dynamic system response	1,200.00	1,800.00	2,100.00
GSC - Goal Seek & Control, modeling automation and control simulation	600.00	900.00	1,050.00
CST - CoST calculation/estimating of systems	500.00	750.00	875.00
SSL - Settling Slurry flow modeling	2,000.00	3,000.00	3,500.00
NSL - Non-Settling Slurry flow modeling	700.00	1,050.00	1,225.00
See notes for package discounts available for AFT Fathom modules. Modules require AFT Fathom 7.0.			
AFT Impulse 4.0 - waterhammer/surge transient analysis	7,000.00	10,500.00	12,250.00
AFT Mercury 7.0 - incompressible flow system optimization	9,800.00	14,700.00	17,150.00
AFT Titan 3.0 - compressible flow system optimization	12,500.00	18,750.00	21,875.00
Chempak Property Database - enhanced fluid properties and mixing for AFT Arrow, AFT Fathom, AFT Mercury, AFT Impulse, AFT Titan, AFT Chempak Suite	300.00	450.00	525.00
AFT Chempak Suite - Property Database + Viewer + AddIn	750.00	1,125.00	1,312.50
AFT Chempak Plus - Viewer + AddIn	500.00	750.00	875.00
AFT SteamCalc 2.0 - high accuracy water/steam library Includes Viewer and Add-in for Excel™	400.00	600.00	700.00
AFT Engineering Utility Suite 1.0	450.00	675.00	788.00

Please Note

- 1) All prices are per license or seat in USD, plus shipping and exclusive of any sales or use tax, duties, customs or handling fees.
- 2) Competitive upgrades available for AFT Arrow, AFT Fathom and AFT Impulse for unlimited versions of Windows based network pipe flow software. Please contact us to qualify your upgrade.
- 3) AFT Arrow, AFT Fathom, Arrow and Fathom Add-on Modules, AFT Impulse, AFT Mercury and AFT Titan license purchases provided with one year of Support, Upgrade & Maintenance, annually renewable available.
- 4) Quarterly leases available for AFT Arrow and Arrow Modules, AFT Fathom and Fathom Modules, AFT Mercury, AFT Impulse and AFT Titan. Please contact us for information.
- 5) Multiple license dicounts - Same-site, multiple license discounts available for AFT Arrow, Arrow Add-on Modules, AFT Fathom, Fathom Add-on Modules, AFT Mercury, AFT Impulse and AFT Titan - Second and additional license for the same location or seat for an existing network or global license discounted 25%.
- 6) Package discount of 25% available for AFT Arrow Add-on Modules and AFT Fathom Add-on Modules when purchased in conjunction with an AFT Arrow or AFT Fathom license. Discount may be applied to one module of each type for each AFT Arrow or AFT Fathom license or seat purchased. NOTE: Package and multiple license discounts may not be combined.
- 7) Package discount of 25% available for AFT Chempak Suite, AFT Chempak Plus, AFT SteamCalc and AFT Engineering Utility Suite when purchased in conjunction with AFT Arrow, AFT Fathom, AFT Impulse, AFT Mercury or AFT Titan. Discount may be applied to one each of the above utility products for each major product license or seat purchased.
- 8) All AFT software and support provided under terms of the Applied Flow Technology license and support agreements.
