

Applied Flow Technology Headquarters:
2955 Professional Place, Suite 301
Colorado Springs, CO 80904 USA

Training Seminar Airport Information

There are two airports within driving distance of AFT's Headquarters: Colorado Springs Airport (COS) and Denver International Airport (DEN).

Taxis and rental cars are available at both airports.

[Colorado Springs Airport](#) (16.6 mi; 26.7 km)

7770 Milton E Proby Parkway
Colorado Springs, CO 80916
(719) 550-1900

* Smaller, three-level, 12 gate facility located six miles from downtown Colorado Springs.

Getting to AFT from COS (travel time approximately 30 minutes):

Exit airport and head north on **Milton E Proby Parkway**

Stay left and continue onto **S Academy Blvd**

Merge onto **I-25 North** via the ramp to Colorado Springs

Proceed North on I-25 to **exit 145 - Fillmore Street**

Turn left and proceed west on **Fillmore**

Turn right onto **Professional Place**

NOTE: Professional Place is located on the right, just before Coronado High School. It is between Centennial Blvd (King Soopers Shopping Center) and Mesa Road. If you get to the high school or Mesa Road, you've gone too far

Denver International Airport (81 mi; 130.3 km)

8500 Peña Blvd
Denver, CO 80249
(303) 342-2000

* Denver International Airport is the 15th-busiest airport in the world and the fifth-busiest airport in the United States.

Getting to AFT from DEN (travel time approximately 1 hour and 30 minutes):

Exit airport and follow signs to **E-470** (toll road - tolls approximately \$10)

Proceed on E-470 to **I-25 South**

Merge onto **I-25 North** via the ramp to Colorado Springs

Proceed South on I-25 to Colorado Springs to **exit 145 - Fillmore Street**

Turn right and proceed west on **Fillmore**

Turn right onto **Professional Place**

NOTE: Professional Place is located on the right, just before Coronado High School. It is between Centennial Blvd (King Soopers Shopping Center) and Mesa Road. If you get to the high school or Mesa Road, you've gone too far
