Pricing notes:

Prices effective January 1, 2019 through December 31, 2019.

Corporate customers may be eligible for additional discounts. Please call for details.

Second and additional seats, on the same purchase, of a network license (excluding Chempak Property Database) will receive a 10% discount.

Customers who maintain a current Support, Upgrade & Maintenance (SUM) subscription on their network licenses will receive a 10% discount on future purchases of that product.

Modules & Utility Notes:

Modules do not run independently, they require a base product.

Chempak Property Database requires at least one of the following products: AFT Arrow, AFT Fathom, AFT Impulse, AFT Chempak Plus.

License Use Notes:

Stand-Alone License: A single license located on the computer where the software is being used. License and software may be physically removed from one computer to another.

Network License: Software used on a computer or computers separately located from the license. The number of concurrent uses of the software is limited to the number of seats purchased for the license.

Software use is limited to within the boundaries of the country specified for delivery at the time of purchase.
